Furthermore, we would like to extend an invitation to all parents of students who are new and even existing students who are not part of our school thrift program to please make a very special effort to commence savings for your child/ward with the Des Barras Primary School. Those who have left can attest that it was beneficial to the students at the end of the six years, where they were able to allocate their savings to purchase their school books and uniform. A total of \$5.00(\$1.00 for passbook, \$1.00 for leisure card and \$3.00 for registration) has to be paid to begin the process. It is never too late to start.
